Work Experience

Web Surfer   Jan. 2000 / Present
W3C   (Remote) Greenwich, UK

After the 90's dotnet boom, decided to go for it. A new millenium, a new me.

- Bought internet service from ISP.
- Bought a Wifi-capable router, and read the manual.
- Learned what VPN is in a trip to Cappadocia after Turkey banned Youtube.

DOS Guru   Jan. 1988 / Dec. 1999
Sales Dept, Lé Company   London, UK

The day I hit 18, I became a salesperson. Boy, those were the days. They called me DOS Guru, as I was the guy who installed games in the department. Quit the job after hearing millenium bug, sadly it never happened. Still practice some old-school games on holidays.

- Somehow got the job.
- Administered bribe to the manager in form of games.
- Did not get fired.
- Quit without giving much thought to bug2k romours.

Commodore Hacker   Jan. 1982 / Dec. 1987
Family House   Greenwich, UK

I received a C64 that Christmas, rest is history.

- Trans-scripted games from magazines.
- Played them.

Projects

Volcano   May. 1984
Highschool Science Fair   Greenwich, UK

Did a baking soda volcano for science fair, a bit American I know.

Education

Highschool (drop out)   Sep. 1984 / Feb. 1986
Lé Lycea   Greenwich, UK

Courses passed: GPA: not applicable/100

- Mathematics.
- Physics.
- Literature.
- Contemporary History of Cold War.
